With this mod in place, the Payne turns into a sexual being; he can now be romanced and have relations with all the ladies he encounters. The mod contains everything that is needed for Payne to have sex. The Payne can be in love with any of the girls he meets and can even go to their houses and have sex with their brothers. As mentioned, the Payne also has a number of naughty sex acts to perform. The mod features an in-depth and extensive set of sex scenes and sex acts, with up to 8 different acts for the Payne to try. Payne can be turned into a sex maniac by using the sex mod; he will begin to seek out and seduce any women he finds. After a while, he might turn completely evil and make you his sex slave. The Payne has a special outfit that he can put on when having sex. The outfit is made of leather and allows him to penetrate any of the girls he meets. The Payne's sexual urges and his increasing desire to seduce and rape women can cause him to chase and attack women. With this in mind, the Payne's wardrobe contains two unique outfits. The Payne can also put his sex gun in his mouth and ejaculate, just like in the video games. Payne can ejaculate directly into any women's mouths or vagina. The mod also includes a menu system that allows Payne to choose and do whatever he wants. The Payne has a special dialogue system, which allows him to say anything he wants to his "girlfriends." The dialogue can contain sexual comments, dirty talk, and jokes that the player must either accept or reject. The dialogue system is also used to solve simple puzzles and to meet new women, such as to buy clothes or to complete a mission. The Payne's dialogue system will allow him to stay in character in any situation. The game contains up to 8 different sex acts; the player can choose how 8215746af
